EDUCATION

California Polytechnic State University, San Luis Obispo

Sep '19 - Jun '24

- B.S. Statistics, Magna Cum Laude
 - Data Science Minor
 - GPA: 3.805
- M.S. Statistics
 - GPA: 3.811

Sep '23 - Jun '24

University of California, Irvine

Expected '29

- Ph.D. Statistics
 - GPA: 3.92
-

RESEARCH & WORK EXPERIENCE

Graduate Researcher, Gillen Lab at UC Irvine

Jun '24 - present

- Developing new efficient statistical methods with applications to biomarker discovery for Alzheimer's Disease
- Collaborating with UCI's Alzheimer's Disease Research Center to study data collection challenges in subpopulations with difficulties completing assessments

Forensic Statistician, Leader Law Firm

Jun '24 - present

- Investigating statistical reports in civil legal cases for statistical fraudulence

Graduate Teaching Assistant, UC Irvine Department of Statistics

Sep '24 - Dec '25

- Taught 50-student discussion sections, hosted regularly-attended office hours, and assisted during regular lecture in 450-student Introductory Statistics courses
- Developed supplementary course material, created test questions, and facilitated midterm and final examinations

Biostatistics Researcher, UC Irvine Department of Statistics

Jul '23 - Aug '23

- Investigated research attitudes, comparing the populations of decision-makers for those with Alzheimer's Disease & those with Down Syndrome

Textbook Contributor, Pearson

Jun '23 - Aug '23

- Designed practice problems and solutions for textbook *Data Science For All*

Data Scientist, Global Emancipation Network

Jan '23 - Jun '23

- Developed graphical networks to identify illicit activity associated with human trafficking

Data Scientist, HomeOptions

Jan '22 - Jan '23

- Integrated real estate data sourcing, aggregation, manipulation, and analysis through machine learning prediction models

Statistics Research Scholar, Frost Undergraduate Research Program

Jan '21 - Aug '21

- Performed statistical analysis on student learning outcomes by textbook choice

Instructional Student Assistant, California Polytechnic State University

Sep '20 - Dec '21

- Evaluated student understanding in introductory business statistics courses

EXTRACURRICULARS

Statistics Tutor, *Self-Employed*

Aug '22 - present

- Providing one-on-one support for introductory to graduate level statistics content

Graduate Mentor, *PALiSaDS*

Sep '23 - present

- Helping undergraduates pursue graduate school through the Pacific Alliance for Low-income Inclusion in Statistics and Data Science

Workshop Instructor, *California Polytechnic State University*

Jan '23 - Jun '23

- Taught supplemental workshops for two upper-division statistics courses: *Mathematical Statistics* and *Estimation and Sampling Theory*

Cal Poly Statistics Club, *Secretary & Open House Coordinator*

Sep '21 - Jun '23

- Managed communication for social and academic events for statistics students
 - Organized open house events to introduce new students to statistics during their first visit
-

AWARDS

Honorable Mention: NSF GRFP, *National Science Foundation* (2025)

Outstanding Scholarship Award, *Cal Poly Statistics Department* (2023)

Community Leadership Award, *Cal Poly Statistics Department* (2023)

Community Leadership Award, *Cal Poly College of Science and Mathematics* (2023)

Dean's List, *Cal Poly* (F19, W20, S20, F20, W21, F21, W22, F22, W23, S23)

President's Honors List, *Cal Poly* (19-20, 22-23)

Frost Research Fellowship, *Cal Poly* (W21-F21)

WORKSHOPS

Reproducible documents, presentations, and websites with Quarto at U.S. Conference of Teaching Statistics (2023)

PUBLICATIONS
